## Helping Hands Around the Table

**J**oin hundreds of our friends at EXDO Events Center on September 17<sup>th</sup> for our 30<sup>th</sup> Anniversary Gala, **Helping Hands Around the Table: Celebrating 30 Years with The Gathering Place.** From the one-room store front on Santa Fe to the brick and mortar center we've become, The Gathering Place has radically touched the lives of thousands of women, children, and transgender individuals in need.

Make merry with us in hip arts neighborhood RiNo (River North) and enjoy rustic ambiance while feasting on farm-to-table catering by Relish Catering Company. A Colorado Proud agency, Relish partners with local farms to serve award-winning meals while supporting Colorado's economy.

Our celebration also seeks to raise awareness regarding *transportation* in our community. Public transit hikes have made daily life for thousands even more challenging. **By bidding on a new Harley Davidson at our event,** you can empower our members and provide the tools to help them freely chase down their dreams. *Note: auction items are subject to Colorado sales tax.*

---

*For **thirty** years, The Gathering Place has been family, friend, caseworker, and co-worker to thousands of women, children, and transgender people. My hope is that you'll join us, and that with hands reaching across the table, we'll continue to usher our community into new realms of experience and understanding together.*

## What is a Mobile Sponsor?

This year, The Gathering Place is working with Gesture, a mobile bidding platform, to manage our silent auction. Our guests will be using their own smart phones and tablets prior to and during our Gala to view auction items, place bids, and pay at the end of the night. As a Mobile Sponsor, your logo with links to your webpages will be featured on this unique, intimate, and interactive platform.

- \*\* Dynamic images can link guests directly to your profile, website, or a special promotion
- \*\* 400+ guests will be using mobile devices to place bids at our auction
- \*\* Our guests include major donors, community leaders, and business executives
- \*\* Guests spend on average 30 minutes on the mobile bidding platform during the auction

Strategically reach out to ideal potential clients while also supporting the community we serve.

*TGP is like family. You don't have to be blood kin with people to be family.* --Linda, TGP Member
